

Pornhub Concedes to Traffickinghub Movement, Removes Download Button

Press Release Tue, 8 Dec 2020

As of December 8, 2020, [Pornhub has conceded](#) to at least 1 of the 5 demands from NPO Exodus Cry including banning downloads, and also claims to be expanding moderation, improving their reporting systems, and requiring verification to post content. This is a huge win for the [Traffickinghub](#) movement!

Unified voices were heard, but there is still much to be done as was outlined earlier this week by Nicholas Kristof's scathing exposé, "[The Children of Pornhub](#)" We need reliable implementation, apologies to victims, restitution for victims, and more.
